

A

Do fathers know

How much they mean

To daughters whom

They've never seen?

E

Do fathers know?

A

Do fathers know

How deep the pain

To wait for one

Not there again

E

Do fathers know?

CHORUS

A

Do fathers know

We're feeling sad

the only kids

Without a dad

E

On Fathers' Day

A

Do Daughters know

How much they meant

To fathers who now repent

Losing them?

E

Do daughters know?

CHORUS

A

Do daughters know

That as they grew

The dad they missed

Loved them too

E

And missed them so

A

What keeps them all

Apart so long

Shame and guilt

Built walls so strong

E

And they're missing. They're missing.

They're both missing

CHORUS

A

I write this song

To right a wrong

A

And say I loved you all along.

E7

And, I'm missing you.

E7

I'm missing you.
