

OLD LOVE

July 28, 2017

CHORUS

G C

Old love is really best

G D G

Love that has passed every test

C Dm

Tests of time and life and loving.

G C D

Now as I look ahead

G D G

I see a time of fear and dread

G D G

I see a time of pain and losing

C Dm

Until I think of you

CHORUS

G C

Old love is really best

G D G

Love that has passed every test

C Dm

Tests of time and life and loving.

G C D

And then I know whoever leaves

G C

The one of two to wait and grieve

G D

Will know old love lives again

C Dm

You in me or me in you.

CHORUS

G C

Old love is really best

G D G

Love that has passed every test

C Dm

Tests of time and life and loving.

G C

So nows the time to live and love,

G D G

While we can, and while we must

G D C

Memories will linger long

C Dm

Sustaining love in us.

CHORUS

G C D

Old love was really best

G C

Love that passed our every test

C D G

Tests of life and love and leaving.
